- Support for the drafting of financial statement proposals, including management report and supplementary note;
- Interrelationship with auditors on budgetary and, more generally, administrative issues;
- Support in the correct and up-to-date regular keeping of VAT registers;
- Preparation of all tax obligations both monthly and yearly with the support of external consultants, under the supervision of the Manager;
- Daily management of HR-related matters, including but not limited to payroll drafting and payment, social contributions payment and all other matters connected with HR administration.
- Periodic reconciliation of balances with foreign subsidiaries and coordination with the administrative Managers of foreign branches on inter-company issues.

SKILLS:

- Fluent English and Italian;
- Knowledge of national & international accounting processes and principles;
- Good knowledge of national tax legislation and customs legislation;
- Knowledge of the main business processes;
- Proficiency with modern ERP, preferably SAP;
- Precision and attention to detail;
- Organization & problem solving;
- Ability to work under pressure.

REQUIREMENTS:

- Bachelor's or Master's Degree in Economics or related fields;
- Located in the UK.

All qualified applicants will receive consideration for employment without discrimination on the basis of race, color, religion, sex, sexual orientation, gender identity, national origin, protected veteran status, disability, or any other factors prohibited by law.
